

Animal Behaviour Signs

Take a look at the animals below. Put a red X in the box next to those animals who are asking us to 'stay away' or a green tick ✓ beside those animals who are friendlier.

Teachers: you can refer to the Animal Discussion sheet for additional tips and hints

Name 2 warning signs displayed by an angry or agitated bull?

1. _____

2. _____

Hey, there is something missing from this bull's nose? Can you work out what it is? When you have why not draw it!
